Church Family Bible Reading Plan

**WE GROW TOGETHER** is a Bible reading plan for everyone. Whether you are new to the Bible or you have been studying it for years, this Bible reading plan is an invitation to **GROW!**

It is strategically designed to be used by families, groups, and our church family. As you read 1 chapter from the New Testament 5 days a week, you will read the whole New Testament in one year. The exciting aspect of this plan is that it is designed to be done in community.

Answering the daily questions will help you retain what you have read and apply the truth you have discovered to your life! Then, you are encouraged to have *Bible Conversations* with your family, group, and church family. We will be **GROWING TOGETHER!**

### **THE REAP METHOD**

Each day, begin with prayer. God wants to speak to you! Using the REAP Bible Study Method will help you as you **GROW**.

**READ** – Read the daily passage of Scripture asking the Holy Spirit to give you encouragement, direction, and correction (2 Tim. 3:16). Highlight, underline, or circle verses and phrases that stand out to you as particularly important.

**EXAMINE** – Spend time reflecting on and writing about the Scriptures you've read. Examine the who, what, when, and where of the passage.

**APPLY** – *"Truth applied changes lives."* Apply what you read to your own story. Where does your life not align with God's character or instruction revealed through Scripture?

**PRAY** – Pray and ask God to change your heart and your life, based on your study of God's Word.
