

## NOVEMBER 2024

**WE GROW TOGETHER** is a two-year Bible reading plan for everyone. Whether you are new to the Bible or you have been studying it for years, this Bible reading plan is an invitation to **GROW!**

It is strategically designed to be used by families, groups, and our church family. As you use this plan you will read the New Testament and Psalms twice and the rest of the Bible once in two years.

### THE REAP METHOD

Each day, begin with prayer. God wants to speak to you! Using the REAP Bible Study Method will help you as you GROW.

**READ** – Read the daily passage of Scripture asking the Holy Spirit to give you encouragement, direction, and correction (2 Tim. 3:16). Highlight, underline, or circle verses and phrases that stand out to you as particularly important.

**EXAMINE** – Spend time reflecting on and writing about the Scriptures you’ve read. Examine the who, what, when, and where of the passage.

**APPLY** – “*Truth applied changes lives.*” Apply what you read to your own story. Where does your life not align with God’s character or instruction revealed through Scripture?

**PRAY** – Pray and ask God to change your heart and your life, based on your study of God’s Word.
